MEMORANDUM FOR THE RECORD

SUBJECT: AEC - Accessibility of Restricted Data Between DOD  
Personnel and Those with Que Clearances from  
Other Agencies

In a telephone conversation today with Mr. Ferguson,  
Deputy General Counsel, AEC, I reminded him that we had  
raised the question of the transfer of Restricted Data to or  
from DOD personnel who receive their entitlement under Section  
143. Ferguson was non-committal and stated that the AEC policy  
until now had been very restrictive in this direction, and  
when asked if there was any legal objection in his opinion,  
stated that he would like to give it some thought.

31 Jan - After giving it  
some thought he feels again that  
145 (b) was not intended to cover  
a class of persons and, therefore,  
present objection is maintained.  
This must be another question  
for the Atty-Gen although  
wants them separate.
